

Security Risk Management Seminar 2016

A One-Day Continuing Education Security Seminar for anyone with responsibilities in bank security, risk management, bank/branch operations or administration, human resources, compliance, legal counsel, audit and fraud prevention.

Presented by

Louisiana Bankers
ASSOCIATION

and

in cooperation with

Profit Protection, LLC

***A financial institution's security program must, "...provide for initial and periodic training of officers and employees ..."* – Bank Protection Act**

In today's climate, "Security Risk Management" can have a variety of meanings. Whether physical, fraudulent, electronic, or implied, the threats are very real. This full day, live and interactive program looks at today's bank security challenges, whether from robbery, burglary, active threats, fraud, or continuity planning. The 2016 Security and Risk Management Seminar is designed to provide critical information for critical thinking about critical issues for both new and experienced financial institution security and risk professionals. Among the subjects to be covered:

Risk Rating Your Bank's Security Program

- What's new in bank security risk?
- Analysis of trends and direction of risk
- Conducting a thorough bank inspection
- Harden your bank as a target

Think Security: Robbery Preparedness

- Implementing policies, procedures and practices consistent with industry best practices and today's technology
- CPTED: environmental design and the bottom line
- Effective training – stay alert and aware
- Safety after a robbery
- Thinking like a bandit

Active Threats: Are You Ready?

- Spotting trouble early
- When confronted with an active threat...
- Managing the consequences

Fraud, Fraud, Fraud: Trends and Tips

- Check fraud
- Cyber, RDC, mobile and other "e-fraud"
- Card fraud
- Financial exploitation of the elderly
- Identity theft = bank fraud

Developments in Continuity Planning

- New challenges and emerging issues
- FFIEC updates
- Vendor management issues and expectations

Each attendee will receive a Certificate of Security Management Training, along with a Comprehensive Workbook, Bonus Resource CD and Drawing for Door Prizes

February 17, 2016

Who Should Attend?

This informative session is for bank security officers, analysts and investigators, as well as all management and staff with responsibility for security and risk management.

This Seminar will be presented by one or more of the following:

Phillips G. Gay, Jr., CAMS, CRCM and CRP, is principal of the National Association for Bank Security/Profit Protection, LLC. He is a frequent speaker at state and national compliance programs, as well as senior advisor to a national compliance training concern. He held senior management positions at a number of community and multi-national banking concerns, including Commercial Bank of Florida, First Union Corporation (Wachovia/Wells Fargo) and Bank of North America, among others. Gay has served in an advisory capacity on numerous government and trade association committees (American Bankers Association, Bank Administration Institute, and America's Community Bankers) dealing with regulatory compliance matters. He is a charter recipient of ABA's Certified Regulatory Compliance Manager, BAI's Certified Risk Professional, and ACAM's Certified Anti-money Laundering Specialist designations.

Mr. John Feltgen is associated with NABS/Profit Protection and currently serves as a security management and public safety consultant. As an adjunct professor, he teaches college courses including security management, business, report writing, diversity, ethics, and accountability. He also serves as security adviser for several colleges, universities and businesses. His law enforcement career spans over 40 years, serving as Assistant Director/Major for the Broward County Sheriff's Department, Chief of Police, Exec. Director for the Organized Crime Division, Director of Internal Affairs, and Director of Civil Process. He is experienced in organizational security and property protection, active shooter and workplace violence protocols, conflict resolution, emergency preparedness, employee accountability, and program/facility security procedures. He holds a M.A. in Organizational Management from the University of Phoenix and a B.A. in Criminal Justice from FAU.
