

# FFIEC Boards Need Cybersecurity Training (Webinar)

July 19, 2017 ☐ 3:30pm-4:30pm

Regulatory expectations for financial institution Board members to understand and oversee cybersecurity related matters have increased over the past few years. In this session we will review these regulatory expectations and provide directors with an update on current cybersecurity issues, including recent incidents, the latest threats and best practice controls. We will also offer tips to ensure that your Board has the tools needed to satisfy examiners and protect your bank.

## Webinar Speaker

**Traina & Associates** provides IT audit, consulting and training services to financial institutions, medical entities, CPA firms and their clients. The Firm has been providing services in the IT area since 1999 and each year performs hundreds of audit, consulting and speaking engagements with a team of experienced professionals retaining numerous certifications, including CPA, CISA, CITP, CGMA and CTGA.

For every engagement, the staff of highly trained professionals tailors the work for the unique makeup, size and complexity of the organization and information and reports are presented in a concise manner, making them easy to understand by those having a variety of IT expertise.
