

Kenny Beauvais

Vice President & Chief Operating Officer

Access2day Health

Kenny has served in his current position with Access2day Health for 4 years, directing all aspects of the company involving provider relations, client sales and development and operational direction. Prior to joining Access2day Health, Beauvais served as President and Chief Executive Officer of Hardware Distribution Warehouses, Inc for twenty-nine years. He organized the company in 1994 by forming the largest 100% employee-owned company in the state of Louisiana. From 1978 to 1989, Kenny was in the banking industry in Shreveport, Louisiana, where he held leadership positions in several Shreveport banks

Kenny graduated from LSU in Shreveport with a degree in Business Administration/Finance and later received his graduate degree in bank administration from the Stonier School of Banking at Rutgers University.
